

NEBC Charlie Baker Time Trial Results

USCF Permit: 2009-1009
 Distance: 9.75 miles
 Race Date: 8/19/2009

presented by:

[CCNS Performance Center Wind Tunnel](http://www.ccns.org)

Chief Referee: Lee Evans
 Volunteers: Bob Evans, Lee Evans, John Laupheimer, Mike Rowell, Wayne Cunningham, Keith Reynolds
 (might have missed a registration volunteer, if so thank you!)

Notes: *What a great turn out! The heat was in full effect last night.
 *We need your Start Number when you cross the line. Imagine trying to figure out 52 numbers for people when they cross the line. I've noted where we had trouble identifying you; either from what you said or didn't say.
 *Please keep the conversations to a minimum around the timers (mainly this is our wonderful Bob & Lee).
 They are timing people as they come in and trying to reconcile who's who.
 *If your name is wrong below, then email promoter@chiefer.com other than that I can't make promises to adjust team name/etc.
